

Cancelled
GRAND Chapitre 2020
Tromsø 26-28 juni

Dear members and friends of Chaîne des Rôtisseurs

Due to the national and global Corona pandemic, The National Board of Chaîne des Rôtisseurs in cooperation with Baillage d'Arctic, have decided to cancel the forthcoming Grand Chapitre in Tromsø 26th – 28th June 2020.

Local as well as international baillages have temporarily stopped holding events given the restrictions and guidings from the respective authorities. Our first concern will always be the health and safety of our members, guests and staff at the host establishment.

Our thoughts goes especially to our professional members whose hotels, restaurants and catering companies have had to temporarily close down, leaving an uncertain future for both staff and owners.

At the right time we can assure all of you to meet again and enjoy good gastronomy and friendship together. We will keep in touch and share information in the hope that the present situation and the future soon will become more predictable and safe.

Everyone who has prepaid for the Grand Chapitre in Tromsø will be contacted by Baillage d'Arctic for refund.

We are sorry that so many of us cannot take part in the Grand Chapitre in Tromsø this summer, but we are very happy to already announce that the **Grand Chapitre Norway will be arranged in Tromsø 25th-27th June 2021**, provided a «normal» situation. Invitations etc. will be sent out prior to the event.

Meanwhile take care of each other and we wish you all a good and healthy summer holiday.
